

Subject: Nursery COVID-19 Update

Date: 27 April 2021

Reference: D-PREP 2020-2021-086

Dear D-PREP Families,

In the light of the COVID-19 outbreak and with no more make-up days left after this week, we are planning to provide a virtual learning option to our Nursery students, starting on Wednesday, April 28th.

With so much free time, we believe helping to have a routine for your children is important and that nursery children can engage in exciting and engaging activities with us virtually for 2-3 hours a day if you choose for them to participate.

These interactive learning blocks will be in small groups and will be conducted by a live teacher, who will be interacting with your child and getting them to talk, share, sing and dance. It will be a lot of fun! It will also be an opportunity for your child to reconnect with some of his/her friends and teachers at D-PREP.

We have developed a weekly schedule for those families who would like to participate in these virtual learning sessions which is attached.

Please fill out this quick google form <https://forms.gle/mUyXKxR6GWYbN9Jd8> to let us know if you are interested in your child participating in these virtual sessions.

We will look at implementing small group support sessions and other possibilities for our nursery children, as soon as the COVID-19 situation enables this and we will update you at this time.

Also, please be reminded that there is no school on Monday, May 3rd (Staff Professional Development Day) and Tuesday, May 4th (Holiday for Coronation Day), as per our 2020-2021 school calendar.

Please let us know if you have any questions, and we hope to see your child virtually soon.

Sincerely,

D-PREP Leadership Team
